DOMINION LANDS OFFICE

Posting of Soldier Settlement Land.

Lethbridge, Alberta, 4th June, 1919

Notice is hereby given that after the expiration of 10 clear days from the date thereof that is, on and after the 14th June, 1919, the S.E. ¼ of Section 20 Township 1 Range 17 West of the 4th Meridian, will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:—

On the day last above mentioned the privilege of entry either as an ordinary homestead or as a soldier grant, is restricted to a "settler," as defined by the Soldier Settlement Act, eligible to make entry who holds an adjoining quarter-section under homestead or soldier entry, or who obtained homestead patent for such quarter section and is still the owner thereof, or who was a squatter before survey on such quarter section. The regulations relating to conflicting claims by adjoining settlers will be found in full at the foot of this notice.

On the succeeding day and thereafter (unless entered for or reserved for an adjoining settler) the land will be available for entry—

(a) as an ordinary homestead by any person eligible to make homestead entry who is on active service in the Naval or Military Forces of His Majesty or of His Majesty's Allies (either in person or by proxy);

(b) by a "Settler" as defined by the Soldier Settlement Act as an ordinary homestead, provided such settler is eligible to make homestead entry;

(c) by a "Settler" as defined by the Soldier Settlement Act as a soldier grant.

Paragraph (c) of Section 2 of the Soldier Settlement Act, 1917, defines "settler" as follows:—

"Settler" means any person who has served in the naval or military forces of Canada during the present War, or who was engaged in active service in the naval or military forces of the United Kingdom or of any of the other British Dominions or Colonies on the strength of such forces before the 15th day of August, 1914, and who has been honourably discharged, or who has been honourably discharged, and the widow of any such person who died on active service.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless made by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the *local Agent* (not Sub-Agent).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10. According to evidence on file in this office there are improvements upon the land stated to be worth $

PAYMENT FOR IMPROVEMENTS.

Before a person is granted entry for a homestead or a Soldier Grant *he shall declare what improvements*, if any there are upon the land for which he applies *and pay* to the Agent or Sub-Agent *the full amount of his valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $2,000, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND.

The following indebtedness is charged against this land $. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amounts so as to make up the full amount of indebtedness.

Agent Dominion Lands.

Sub-Agent or Postmaster at Milk River, Alberta.

PLEASE POST IN A CONSPICUOUS PLACE.

OVER

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their prospective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of day of his entry or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over any of the applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting thereon, and the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land becomes available for entry, and has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler [illegible] adjoining holding.

Dear Sir:

In February 1916, we sold to Jos Valetsko $91.45 worth of lumber which he used in building a house 16 x 24 and a barn 12 x 16 on his homestead, S.E.¼ of 20- 1- 17- W. of 4th. We took a note from Mr. Valetsko for this amount but before the same was due, he died and our account has never been paid. We understand that this quarter is available for entry by returned soldiers, and we feel if there is anything paid in for improvements on this land that we are entitled to our pay for the lumber that went into these buildings, and would appreciate if you would advise us what are the necessary steps to be taken, if there are any.

Yours very truly,

Your file No. 2734538.

I have your letter of the 24th ultimo, requesting to be advised of the present standing of the above described land, and if it is likely to be used again for farming purposes.

At the present time this land is included in a Grazing Permit which will expire on March 31st, 1953. The Grazing Permittee has prior right of renewal if he so desires. The quarter section referred to contains 161 acres. The land is located outside of the settlement area, and appears to be suitable only for grazing purposes.

Re: Account of Joe Valitska (deceased)
S.E. 20-1-17-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $107.85 were advanced to Joe Valitska on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 107.85	$ 200.01	$ 307.86

The S.E. 20-1-17-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 30th of April 1919, and the land is still unalienated Crown Land held in the right of the Province.

In reply to our questionnaire of the 24th of November 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"At the present time this land is included in a Grazing Permit which will expire on March 31st, 1953. The Grazing Permittee has prior right of renewal if he so desires. The quarter section referred to contains 161 acres. The land is located outside of the settlement area, and appears to be suitable only for grazing purposes."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

No Soldier Grant Entry shall be made to any settler who,

CONFLICTING CLAIMS.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day.

Provided that if the Agent is advised by wire or otherwise of such claim by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the said Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent a settler who, according to the foregoing provisions of this section, has a prior right of entry over all other applicants, is unable to appear in person at such time the Agent may hold the land for such settler for a reasonable length of time, to be determined only after communication at the cost of the settler with the Board.

A preemption or purchased homestead entry cannot be secured by proxy.

Proxy entries cannot be made at a Sub-Agency.

The homesteader on whose behalf such entry is made must before the expiration of six months from the date of the entry appear personally before the Agent (not a Sub-Agent) and satisfy him by declaration as provided that he has commenced in residence on or on his way to commence such residence, and in the latter case that he will be in residence before the end of six months. Sir,-

S.E. ¼ Sec. 12 Tp. 62 Rge. 6 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Acting Commissioner

With regard to your application for an extension of time, I beg to inform you that you have been granted until the 1st November next, within which to make payment of the amount due in connection with your purchased homestead entry covering the land above described.

Sirs:

Your letter on reverse side would say I took this land as a pre-emption in June 1912, it was a rough stony quarter but I stoned it and broke it all up dug a well at a cost of about $12.00 per acre for stoning and breaking, the well is 70 feet deep and in good shape and lots of water cost me $150.00 the most of the farmers around me pulled out on account of drought I stayed with it and rented some more land, but could not make a living for my family so you see I spent about 15 years hard work and about two thousand dollars on this land and 95 per cent of the farmers were the same. Now I would ask you to consider my case, as I am hard up, and struggling to make a living on rented land, could you cancel this or if I would file on it for a homestead, could I get a good reduction also what is the regulations for a second homestead. Please send me the regulations Hoping to hear from you soon,

Yours truly.

Sir;-

I beg to acknowledge receipt of your letter of the 11th. instant and to say that if you do not with to retain the S.E.¼-12-26-1-4th.M. as a purchased homestead, you should have the enclosed Form of Abandonment completed before some one authorised to administer an Affidavit and return it to this office.

It would not however be possible when the entry was cancelled to secure any prior right in making entry for the land, and it would have to be posted in the usual manner and you would have to take your chance with other applicants on being able to secure the land as a second homestead.

I am enclosing you for your information a copy of the homestead regulations and would refer you to Page 7 thereof in regard to securing second homestead entry.

Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received:

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board,

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Your file No. 273723

In reply to your letter of the 13th instant, I wish to advise that the above fractional quarter section contains 149.12 acres, and is held under Grazing Permit by George Bezjack, of ARNESON, Alberta, to the 31st of March, 1953. Mr. Bezjack has prior right to renew his permit, at the expiry date, if he so desires.

This land is located outside of the homestead lease area, and according to an Inspector's report on file, it is fair land. It is in a sparsely settled area, and although it could be used for general farming, its only demand seems to be for grazing purposes.

Re: Account of Bernard A. McGillis
S.E. 12-26-1-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $309.05 were advanced to Bernard A. McGillis on the security of the above mentioned land. A payment of $52.30 was received in 1916 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 257.60	$ 472.87	$ 730.47

The S.E. 12-26-1-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 24th of August 1929 and is still Crown Land held in the right of the Province.

In reply to our questionnaire of the 13th of June 1952, E.P. Shaver, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"In reply to your letter of the 13th instant, I wish to advise that the above fractional quarter section contains 149.12 acres, and is held under Grazing Permit by George Bezjack, of [illegible], Alberta, to the 31st of March, 1953. Mr. Bezjack has prior right to renew his permit, at the expiry date, if he so desires.

This land is located outside of the homestead lease area, and according to an Inspector's report on file, it is poor land. It is in a sparsely settled area, and although it could be used for general farming, its only demand seems to be for grazing purposes."

The information obtained indicates that the land is such that it is only being used for grazing purposes and is unlikely to be disposed of by sale in the near future and no longer offers any security of value for our advances. Under the circumstances it is recommended that the balance of the indebtedness be cancelled.

OTTAWA, 21st January, 1924.

Sir,

Re N.E.¼ 31-26-1, W.4th M.

In the matter of your pre-emption entry for the quarter-section above mentioned it has been reported to the Department that you are not now in residence on this land or on your patented homestead, the North West of the same Section.

According to information furnished in your application for homestead patent made on the 19th October, 1917, you had to your credit at that time four homestead terms of residence and thirty acres under cultivation. There is no record of duties performed subsequently, other than what has been furnished in a recent report from a Homestead Inspector in which you are credited now with having fifty acres under cultivation on your homestead.

Under the circumstances, a period of thirty days from this date will be granted you within which to furnish the Agent of Dominion Lands at Calgary with a statement on the enclosed form No. 36-B, setting out the duties performed since you made application for patent for your homestead, and on receipt of same you will be advised as to your position as regards residence. Your pre-emption is reported to be unfit for cultivation and it will, therefore, be necessary for you to complete your cultivation duties on the homestead, which will entail the breaking of an additional thirty acres.

I am to warn you that failure on your part to furnish a statement as aforesaid, will render your pre-emption entry liable to cancellation.

Everet J. Keown, Esq.,

I beg to direct your attention to my letter of the 21st January last and to remind you of the necessity of furnishing the Agent of Dominion Lands at Calgary with a statement of all duties performed since you applied for patent for your homestead.

Your failure to furnish the required information renders your pre-emption entry, above described, liable to cancellation and should you not be heard from within thirty days of this date it is probable that proceedings will be instituted without further delay.

I am enclosing herewith another copy of form No.368 for your convenience.

Sir,-

N.E. ¼ of Sec. 32, Tp. 26, Rge. 1, West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his oun favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Ronald James [illegible], Esq.,
[illegible]bbald,
Alberta.

Acting Commissioner
of Dominion Lands.

N.B. - I may add that you cannot be permitted to rel[illegible] with N.E. ¼ 31-25-1, 4th M. from your lease of which No. [illegible] and take a view to re-entry as a second homestead, but on [illegible] you are at liberty to relinquish the land [illegible] 4th M. is your chance of securing entry in competition with [illegible] if any, when the land is posted. Re: Account of L. Keown
N.E. 31-26-1-4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $[illegible].60 were advanced to L. Keown on the security of the N.½ 31-26-1-W4. A payment of $105.80 was received in 1950 and applied to the interest. Order in Council P.C. #201/4888 dated the 14th of October 1[illegible]0 authorized that the N.E. 31-26-1-W4 be released as security for the liens on the payment of $105.80 and the balance of the indebtedness to be retained as a charge against the N.E. 31-26-1-W4. The present standing of this account is:

Principal	Interest	Total
$ 105.80	$ 88.16	$ 193.96

The N.E. 31-26-1-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 6th of August 1924 and the land is still unalienated Crown Land held in the right of the Province.

In reply to our questionaire of the 16th of September 1952, V.[illegible] Hoet, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"I have your letter of the 16th ultimo, and in reply would advise that this quarter section is presently held under Grazing Permit by H.F. Plemmer, of Acadia Valley, Alberta. The Grazing Permit expires on the 31st of March, 1953. Mr. Plemmer has renewal privileges, if he so desires.

The land referred to contains an area of 157 acres, and is located outside of the settlement area. According to the file, there has been no use, except for grazing, for the quarter."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

OTTAWA, 10th August, 1928.

Sir,-

S.W. ¼ of Sec. 13 Tp. 64 Rge. 20 West 4th Mer.

Referring to your Application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Karl M. Peterson, Esq.,
Ellscott,
Alberta.

Acting Commissioner

Re: Account of Reginald H. Pendree,
S.E. 28-23-6-W.4th.

The matter of an application for an adjustment of indebtedness outstanding atainst the above mentioned party is referred to you constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to $60.00 was advanced to Reginald H. Pendre on the security of the above mentioned land. A payment of $19.95 was received in 1921 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$ 60.00	$ 94.16	$ 154.16

Patent was issued in the name of Reginald Howard Pendree for the S.E. 28-23-6-W.4th on the 23rd of April, 1917, subject to the 1915 lien.

In reply to our questionnaire of the 25th of September, 1953, The Director of Assessments Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"The South East quarter is presently vested in this Department having been acquired through Tax Recovery proceedings. This land is occupied at present under lease as issued by this Department, and in view of it being situated in that part of the Province designated Special Areas there is little likelihood of any sale being made of same."

The information obtained indicates that the land is such that it is unlikely to be disposed of by sale in the near future and no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: Frank Goddard, No.437848,
N.E.¼ 15-60-23-W.4th M. - S.S.

The above named settler secured advances from the Board for permanent improvements and stock and equipment totalling $1875, the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Goddard requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Goddard states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefore were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 22nd January, 1926.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1821), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 15-60-23-W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

TO WHOM IT MAY CONCERN:

WHEREAS it is provided by the Regulations for the transfer of certain lands to the Board where settlement duties completed, approved by the Governor in Council on the 4th day of June, 1921, (P.C.1221), that in the event of a settler who holds any Dominion Land on which a charge has been imposed, constituted or created by or under the Soldier Settlement Act, 1919, or the former Act, having complied with the conditions of his entry to entitle him to receive Letters Patent for the land but for the charge imposed against it as aforesaid, the Minister, at the request of the Board, may transfer to the Board the land so held by the settler;

AND WHEREAS Frank Bowers is a settler within the meaning of the Soldier Settlement Act who holds the S.E.¼ 10-30-22-W.4th M.;

AND WHEREAS The Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board;

NOW KNOW YE that I, the undersigned, pursuant to the powers and authorities conferred upon me by the said Section 38 of the Regulations for the transfer of certain lands to the Board where settlement duties completed, approved by the Governor in Council on the 4th day of June, 1921, (P.C.1221), declares the right, title and interest of His Majesty in the said land except mines and minerals, whether solid or gaseous to be vested in the Board.

Sir,-

N.W. ¼ Sec. 4 Tp. 61 Rge. 21 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are intending to apply to the Department for any land grant or relief, the land granted under the authority of this letter will be subject to such limitations.

Your obedient servant,

J. MARTIN

MEMORANDUM:

Ottawa, 21st February, 1916.

Mr. Cory. Re - Frac. W.½ 13-5e-20-W.4th M.
(West of River).
Frac. N.W.¼ 13-5e-20-W.4th M.

In reply to your memorandum of the 16th instant, regarding the disposal of the fractional North West quarter of Section 13, please see Mr. Powell's memorandum and Mr. Hume's remarks thereon, on File #2734924, herewith.

The sale of the fractional half section to Mr. McAllister has been pending since October, 1910, and under ordinary circumstances cancellation should have been carried out and the land otherwise disposed of. However, it is clearly shown the fractional North West quarter of Section 13 was not available at the time Mack Lopil was granted a homestead entry on the 29th December last, and under the circumstances I concur in the suggestion made, that the entry should now be summarily cancelled and the entry fee refunded.

It would appear that Mr. McAllister has [illegible] his other holdings and it would seem advisable that [illegible] limited leave of time to permit the [illegible] payment [illegible] account of [illegible] to issue [illegible] in a position to submit evidence [illegible] the owner under an agreement for sale.

Sir:

With reference to the entry granted you for the fractional North West ¼ of section 13-58-20, W. 4th M., containing an area of 31.7 acres, I beg to inform you that the fact that Mr. Robert McAllister had an application to purchase this land, which had not been disposed of, was overlooked when entry was granted to you for this land and I have been instructed by the Department to cancel your entry for same and give Mr. McAllister an opportunity to acquire it.

Your entry, therefore, is hereby cancelled and I am by copy of this letter asking the Department to make a refund to you of the entry fee of $10.00.

Dear Sir:-

Last June I entered for the South East ¼ of Section 13, Township 75, Range 15, West of the 5th. Meridian, as a homestead. This was entered for at the Peace River Agency, Grouard, by proxy, by my son, and as I could not make arrangements at that time to go out and go into residence the entry was cancelled at the expiration of six months.

As I am now in a position to take up a homestead I would be glad if you would send me the necessary authority to make another entry.

Yours truly,

Sir,-

W.½ of Sec. 13 Tp. 75 Rge. 15 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Ref.No. 1468 G.

OTTAWA, 24th September

Sir,-

S.E. ¼ Sec. 16 Tp. 74 Rge. 16 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1926, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

OTTAWA, 6th November, 1919.

Sir,-

S.W. ¼ Sec. 23 Tp. 83 Rge. 23 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting these privileges, which provides that persons who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands in the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented homestead or pre-emption homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are entitled to this privilege and desire to exercise your rights under the provisions of this order in council, this letter will be required to be returned to this Department.

Albert Edward Cyples, Esq.,
Peace River,
Alberta.

Your obedient servant,

Commissioner of Dominion Lands.

P.S. It is noted you claim to have lost the Departmental letter sent you on the 4th December last, giving you permission to take up a second homestead. If such letter turns up later on you should forward it here immediately.

Sir,-

L.S. ¼ of Sec. 12 Tp. 57 Rge. 14 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Land:—N.E. ..... of Sec. 20 ..... Tp. 24 ..... Rg. 1-4 ..... M.

General Remarks Continued:—

This man lives on the N.E. ¼ and has a house 14 x 18, box car roof, worth $50, stable 16 x 26, worth $50; 80 acres broken on this quarter and 80 acres fenced which is used for pasture as it is very stony.

There are 55 acres broke on the north west quarter on the south side and centre of the quarter, and there is a two wire fence on the north and west; balance of this quarter is very stony.

This man cannot pay anything on this debt this Fall. He had 1982 bushels of wheat which has been used for taxes, groceries and other small debts, and he will have to have another year, which I would recommend, as this is the only crop since 1916.

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada —and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies —and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony —and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry falling under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry for the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the purposes above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Re: Account of George W. Doig
N.½ 20-24-1-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 and 1918 seed grain amounting to $139.05 was advanced to George W. Doig on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 139.05	$ 245.76	$ 384.81

Patent was issued in the name of George W. Doig for the N.W. 20-24-1-W4 on the 2nd of February 1918, subject to the liens. The N.E. 20-24-1-W4 was formerly the pre-emption entry of the latter whose entry was cancelled on the 14th of June 1930 and the land is still unalienated Crown Land held in the right of the Province.

In 1930 the N.W. 20-24-1-W4 became subject to forfeiture proceedings for nonpayment of arrears of taxes and title has since been acquired by the Municipal District of Acadia No. 34.

The land is described as very stoney and mostly suitable for pasture.

The Municipality has been unable to dispose of the N.W. ¼ by sale and it is still vacant and no longer being operated. The N.E. ¼ is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is also vacant and no longer being operated. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.
